a mouse trap

## Rules For Life

*You don't get to be as old as I am without learning a few important things along the way...*

- *Never kill anything that isn't trying to kill you.*
- *Never go anywhere without a knife, a light, and the means to start a fire.*
- *Treat others as you wish to be treated.*
- *Speak with your Creator every day.*
- *Always kiss your love goodnight.*
- *Understand that your word is your bond.*
- *Understand that if you go looking for trouble, you're likely to find it.*
- *Never pick a fight with an old man. He's too old to fight you, so he's just going to kill you.*
- *Be aware of your surroundings, and avoid problems before they become problems.*
- *Seek, learn and memorize the definition and meaning of honor.*
- *If it looks like a duck, walks like a duck, and quacks like a duck, it's probably a duck.*
- *Never start anything you can't finish.*
- *NEVER leave a man with nothing to lose...*

*"Every second of every day of our lives on this earth is a never ending series of choices that we make either consciously, or unconsciously. Sometimes we choose well, and sometimes we choose poorly, but the choice is always ours to make." ~ RFD*
